"Corns All Gone! Let's ALL Kick!"

Every Corn Vanishes by Using Wonderful, Simple "Gels-It." Never Fails. Applied in 2 Seconds.

Isn't it wonderful what a difference just a little "Gels-It" makes on corns and calluses? It's always right where you need it. With many folks

"Whee! I Don't Care! I Got Rid of My Corns With 'Gels-It'!"

turned up with corn-ridden feet, looking, picking, drilling out their corns, handkerchiefs, soap and water, and the "holier" in their corns goes on forever. Don't you do it. Use "Gels-It." It's marvelous, simple, never fails. Apply it in 2 seconds. Nothing to stick to the skin, nothing to hurt or irritate the foot. It's one of the gems of the world. "Gels-It" is sold everywhere. 25c a bottle, or sent direct by E. Lawrence & Co., Chicago, Ill. "Gels-It" is sold in New York by Riker-Hogeman—Advt.

Rheingold Beer

Do not give up the satisfaction of a refreshing glass of beer with the idea that there is anything in common between beer and intemperance. The most temperate nations in the world are those that drink beer, and the most temperate individuals in the world are those who drink beer.

Latest News of the Links

Mrs. William J. Faith of Wykagyl returned a score of 90, leading the field in the first of the one-day tournaments held under the auspices of the Women's Metropolitan Golf Association over the links of the Dunwoody Country Club, Mrs. Faith's 90—24—88 not only won the net award, but also scored points toward the gross prize to be awarded at the end of the season.

Princeton's golf team defeated Yale decisively at Baltusrol by a score of 9 to 1.

The programme for the eighteenth annual metropolitan golf championship has been issued by E. Mortimer Barnes, Secretary of the organization. It will be held on the links of the Nassau Country Club June 7, 8, 9 and 10. The championship proper will consist of a qualifying round of thirty-six holes medal play; the sixty-

four players making the lowest scores to compete at eighteen holes in subsequent match rounds, excepting for the final, which will be over the double circuit.

Eighty members of the Engineers Club played in the club's first golf tournament on the course of the Country Club of Lakewood on Saturday and Sunday, May 20 and 21.

The Massachusetts Golf Association has sent out the programme for its annual open championship which, following the plan put into effect two years

ago, will be open to all golfers without restriction as to residence. This year's tournament will be played at the Brae Burn Country Club, West Newton, Mass., on June 15 and 16. It will consist of seventy-two holes of actual play; the winner will receive \$150.

Although the Junior title will not be competed for until June 27 and 28 at Englewood, E. M. Barnes has drawn up the programme and announces that entries will close with him on June 24. All boys are eligible to compete for the title providing they are not more than nineteen years old and are members of or have playing privileges at clubs belonging to the M. G. A.

The Garden City tournament, beginning to-morrow and lasting through Saturday, will mark the real beginning of the competitive season here in New York. Players like Marston, Carter and Topping, not to mention half a dozen others of equal standing who will probably be on hand when play is called, insure the quality of the golf that will be seen on the Long Island links.

News of Sports Told in Shorts

Members of the Executive Committee of the Public Parks Lawn Tennis Association decided that the singles championship for the cups offered by The World would begin on Saturday, June 10. The tournament, which in interest and number of competitors has eclipsed anything ever attempted on the American courts, marks the third championship to be played for The World trophies.

Indianapolis, which has become famous for its automobile races, will strive to maintain its place in the motor world on Memorial Day, when the sixth running of the International Sweepstakes will be held, with thirty-one drivers in the lists. The official entry discloses thirty cars, with Ralph De Palma as the only famous driver who had failed to

send in his blank. De Palma, however, wired for special permission to make a post entry, and as there is little doubt that the permission will be granted, the famous cars will probably go to the post for the big race.

BOSTON, May 17.—Play in the doubles was started and two matches in the singles were completed in the New England Intercollegiate Lawn Tennis Tournament. Notwithstanding the heavy mist and soggy court, there was a pretty fight between Koeniger of Dartmouth and Crocker of Tufts, in which the Dartmouth man won, 6-4, 6-4, in the second round.

PRINCETON, N. J., May 17.—Eight coaches have been selected by the Board of Athletic Control to assist "Speedy" Flaherty with the 1916 Tiger football team. The men are Philip King, '50; Arthur Hillebrand, '50; Sam White, '52; Thomas

Wilson, '53; Arthur Blumenthal, '53; R. E. Cruikshank of Washington and Jefferson, Edward L. Shea, '16, and Harold Ballin, '15.
